

## The Holy Land Awaits Us!

Join Kyle Reese and Marilyn Borst this fall on a memorable trip to the Holy Land, November 2nd through 15th. Drawing upon their combined experience of 18 trips to this historic place that is Israel/Palestine, Marilyn and Kyle will guide our group in experiencing the sites of the Biblical narrative and the places where Christ's life and

ministry became incarnational, including the Jerusalem area, Bethlehem, Nazareth and the Galilee, as well as Jericho and the Dead Sea. In addition to our touring, we will encourage the diminishing Christian presence in the place where the Church began with visits to

congregations and ministries to learn how they are seeking to be faithful under pressure and with *peace*, a seemingly elusive ideal in this controversial but compelling place. The land cost is set at \$3,100 per person, double occupancy, for this 12-day journey (airfare is not included).

*O little town of Bethlehem*

## MISSION TRIP POLICIES AND INFORMATION

First Baptist Church sponsors mission trips in our effort to engage followers of Christ in His work in the world. These trips foster global partnerships and help to raise resources needed by partners for their work. The trips are led by First Baptist Church staff or mission staff members. These trips have a development component as we invite church leaders and donors to commit to supporting our mission efforts around the world.

### GENERAL GUIDELINES:

#### **Application and Deposit**

A deposit of \$200 and a completed Mission Trip Application and Waiver are required to hold a place on Mission Vision Trips. The refundable deposit will be credited toward the participant's trip cost. If a trip applicant is not accepted by First Baptist Church as a trip participant, the deposit will be returned.

#### **Release and Waiver of Liability; Emergency Contact Form**

Each trip participant on a First Baptist Church-led vision trip or Church-sponsored work trip is required to sign The First Baptist Church's release and waiver of liability form, which must be filed with the Church office before departure. An emergency contact form shall also be on file for each trip Participant.

#### **Passports and Visas**

Individuals participating in First Baptist Church trips are often required to have a visa for entry to any given country. Please note that First Baptist Church may need possession of your passport for visa processing, perhaps for as long as three weeks. If you are traveling abroad in close proximity to a First Baptist Church trip, you may need to apply for a second passport. Consult with First staff on this matter. Once visa processing is completed, each individual traveler is responsible for checking the passport to ensure that the travel dates on the visa accurately reflect the travel dates of the trip.

#### **Expenses**

Travelers with First Baptist Church are responsible for the full cost of their participation on the trip. A total cost for participants will be set which will cover direct and indirect expenses, including the travel expenses of the trip leaders. One-half payment of total trip costs is due 60 days prior to departure; full payment is due 30 days prior to departure.

#### **Deductibility of Mission Trip Expenses**

First Baptist Church issues receipts for payments made by individuals for the cost of that individual's participation in one of our mission trips; however, in so doing First Baptist Church does not give tax advice. Each individual should contact their personal tax advisor to evaluate their situation and determine the deductibility of trip expenses.

#### **Participation in Full Itinerary and/or Personal Side Trips**

It is expected that travelers will not deviate from the group's itinerary and program. Approving any changes to the itinerary is, finally, the responsibility of the trip leader. If a traveler wishes to go earlier or return later than the other group members, he/she will be responsible for themselves during that time and for any additional expenses, including higher transportation costs that may result from deviating from the group travel arrangements.

Individuals planning personal travel in conjunction with a First Baptist Church trip are responsible for coordination and payment regarding all travel plans (airfare and ground itinerary) for the personal portion of the

trip. In addition, any expenses, travel delays, or other unexpected occurrences that arise during a personal portion of a trip are not the responsibility of First Baptist Church.

**Insurance**

Individuals participating in First Baptist Church trips must have medical insurance that provides adequate coverage while they are traveling. Participants should review the provisions of their own policy and contact their insurer to determine whether or not they should obtain additional personal coverage for the duration of the trip. Uncovered expenses that are incurred by trip participants due to accident or illness – including medical costs, airline change fees, additional hotel stays, and medical evacuation – are the responsibility of the participant, not First Baptist Church. First Baptist Church does not provide trip cancellation or other travel insurance coverage, and travelers should decide for themselves if they wish to obtain such coverage.

**Inoculations and Medications**

Trip participants should review the travel health advisories on the Centers for Disease Control and World Health Organization websites and should consult with their own physicians or an international travel clinic to make informed decisions about inoculations and medications. Participants shall notify First Baptist of medical conditions and prescriptions that they are taking to ensure the availability of that information in case of a medical Emergency.

**Cancellation by Participants or First Baptist Church**

Should a person need to cancel participation in a trip, money that they have paid for the trip will be refunded to them, minus the deposit and any non-refundable payments that have been made by First Baptist Church for the traveler.

<b><u>Payment schedule:</u></b> ASAP	\$200 deposit to hold your place
60 days before departure	½ total cost
30 days before departure	balance due
